Self Critiques

- ▶ What did we do well?
 - ▶ Stayed passionate about the theme and had fun
 - ▶ Stayed close to GoT theme
 - ▶ Had a constantly moving workflow
- ▶ What puzzles us?
 - ▶ CSS !important
 - ▶ Communication between back-end and front-end
- ▶ What did we learn?
 - ▶ Tools: JS, Bootstrap, Flask, and python!
 - ▶ Cache
- ▶ What could we have done better?
 - ▶ Being more proactive
 - ▶ Starting earlier

Critique Inebri8

- ▶ What did they do well?
 - ▶ Splash page looks welcoming
 - ▶ Topic is fun and useful
- ▶ What did we learn from them?
 - ▶ Importance of good API documentation
- ▶ What can they do better?
 - ▶ Improvement space for styling
 - ▶ Models take a long time to load
- ▶ What puzzles us about their website?
 - ▶ Why is it so slow 🤔
 - ▶ Website is down when we access it sometimes

Now you know everything...

Thank you!
